Mt’Neer Virtual School (MVS) is a fully virtual instructional program for K-12 students in the Mount Vernon School District. This program is designed to meet the needs of families and students during the COVID-19 Pandemic and student needs well into the future.

Mountaineer Teachers Meeting the Needs of Mountaineer Students!

Online instruction following the same instruction, pacing guides, and assessments as seated instruction.

Courses will be developed and taught by Mount Vernon R-V Teachers including instructional videos, timely feedback and strong connections.

The District will meet the needs of families who lack a device and/or internet access.
